

20 December 1982

Weekly Report

Intelligence Community Staff

The Director, SIGINT Collection Office, chaired a meeting of representatives from NSA and the DCI's Office of General Counsel to discuss NSA support to narcotics law enforcement. There is a substantial difference of opinion between the NSA and DCI General Counsels on some aspects of the National SIGINT Requirements List requirements. They will pursue the legality question.

| requirements. They will pursue the legality question. | |

| Deputy Director for Intelligence SOVA revised the memorandum for the DCI on the state of the Soviet economy in the 1980s. At the request of the NSC, NESA prepared a typescript, Jordan: A Role in the Peace Process. It was also forwarded to Vice President Bush, Judge Clark, Secretary Shultz, and Secretary Weinberger. OSWR will prepare a briefing memorandum for the President on Soviet acquisitions of strategic technology from Japan for his upcoming meeting with Nakasone. National Intelligence Council The revised draft NIE on U.SJapanese trade relations and the draft SNIE on the high-technology arms market are on the agenda for the NFIB meeting scheduled for 21 December. Coordination is nearly complete on the draft NIE on India and is progressing on Volume I of the monitoring NIE as well as NIE 11-3/8-82. Draft IIMs on Warsaw Pact manpower in the MBFR area and on Turkish military modernization are nearly complete and should be sent to C/NIC for approval to publish before the end of the year. | | |
